

STEWARDS PROGRAMME

**12- 25 March, 2020
Geneva, Switzerland**

What is the WCC Stewards Programme?

The Stewards Programme brings together a dynamic and diverse group of young people from all over the world from 12th to 25th March 2020 (inclusive of travel dates). At the Central Committee meeting, the Programme will host 20 young people from different backgrounds, churches and regions. As a diverse community, stewards bring their faith, experiences and visions to an ecumenical experience of togetherness and friendship. Being a steward will challenge you, will foster your involvement and participation, and it could change your life. The Stewards Programme will be involved in: an on-site ecumenical formation and work at the Central Committee meeting.

Work, pray and sweat

Stewards arrive to Geneva a few days prior to the Central Committee Meeting proper to learn about the ecumenical movement. The work done is often exhausting, intense and under pressure of short deadlines. The main areas of tasks to be carried out are: floor management, documentation, communications, interpretation, worship and other tasks such as general administration, sorting mail, delivering messages, etc.

Financing

WCC will be responsible for board and lodging expenses during the programme and will provide some pocket money. Travel costs to and from Geneva are the responsibility of the steward, except in cases where subsidy is granted. Please see last page of application form for details.

All stewards who are granted partial travel assistance are expected to make a financial contribution towards their travel expenses. The purpose of the contribution is to allow more young people to participate in the programme, to strengthen the commitment of the participants, and to encourage the ownership of the programme by the participants and their churches and organisations.

Criteria

Stewards are young people between the ages **18 and 30 years old**. English is the working language of the programme. Stewards need to be prepared to endure an intensive programme of activities and long, tiring work days. Working hours are irregular, and often special programmes are planned after work for the stewards. Patience, ability to work with people from other countries and cultures, and a willingness to work together as a team, are essential. The deadline for application is **December 5, 2019**.
